

SENDOKAN DOJO

UP and Coming Sensei Seminar

May 31st and June 1st 2019

To: All Aikidoka

The Sendokan Dojo is very proud and excited to offer a new experience for aikido students and sensei. Over the past number of years, the Sendokan has hosted numerous top sensei from around the world and close to home. The Sendokan will continue this tradition into the future. However, we thought it would be great for our community to share the wealth of talent and experience of some junior instructors who would normally not get the spot light. These sensei will be the next generation of instructors in Ontario and the U.S.

We feel these instructors have lots to offer all of us and our students. And it's also important for them to gain experience teaching clinics to students from other dojo.

We have been working with 9 different instructors over the past couple of years getting them ready for their next black belt test. On Saturday June 1st in the afternoon all 9 of these instructors will test. Everyone is welcome to come and watch, support and encourage these fine aikido sensei during their gradings. Each of these sensei plus other junior sensei from Ontario and the US have been invited to teach a 30-minute mini clinic during this seminar. For the sensei testing, the mini clinics will be part of their instructors' test.

Join us to help build our Yoshinkan community, build skills, learn from expert instructors make new friend from the U.S. and Canada.
